DON'T LET THE COST KEEP YOU AWAY FROM THIS TRIP! If you are thinking that God wants you to go on this trip, we'll find a way together to make it happen!*

A deposit of \$75, with completely filled out registration reserves your spot on this life-changing adventure! We will also have a short informational meeting for this trip TBA.

**Trip Overview: Worktrips are designed with two primary purposes in mind: Direct Service Ministry and Discipleship.**

#### Direct Service Ministry

We will be working with an Episcopal pastor named Jackie Bernacchi on the Spirit Lake Reservation. She works with the Lakota/Dakota Sioux tribe and has been working hard to coordinate projects for us to serve the Lakota/Dakota Sioux tribe. Here is just some of what we will be doing:

- Help to finish a new church building; work may include roofing (shingling), sheet rocking (no taping), installing insulation, installing interlocking laminate flooring, and painting
- Scraping and painting of another smaller building next to the new church

#### Discipleship

The worktrip experience has proven to be a landmark in the life of a Christian disciple; deepening their faith, strengthening their convictions, making them more aware of God's mandate that we care for this world's less fortunate. Whether a teenager, a college student or a senior adult, worktrip participants are brought into the presence of Christ in a unique, profound way.

Northminster worktrips are more than a short-term missions opportunity. Participants are both Givers and Receivers, sharing their resources with the international community and partaking of the Bread of Life as offered by the Lord Himself through the precious people of the Lakota/Dakota Sioux tribe.
